

BRENDA R

CAREER OBJECTIVE

I have faced adversity in my life and have always come out on top. I am ready to try a new challenge and would like to do that by getting out into the workforce. I want to build skills and show my children the power and benefits of work.

SKILLS

- TEAM PLAYER ATTITUDE
- DESIRE TO DO WELL AND SUCCEED
- PERSEVERENCE
- DETERMINATION
- QUICK LEARNER
- OPEN TO ALL POSSIBILITIES

EXPERIENCE

Amazon Distribution Center

07/2021-10/2021

At Amazon I reconciled orders that had been processed with what the computer printouts said. This required attention to detail and accuracy.

Parenthood

I have children so that means I have to be proficient in time management, scheduling, crisis management, negotiating, listening skills, debate, technology, and constantly adapting to changing moods, needs, and juggling all of those things to keep everyone happy. I think these skills would make me a valuable employee.
