

# Jasper M

## Objective

---

While theater is my passion, I am looking for a job here in Lawrence where I can be creative and use some of my artistic abilities. I would love to work in our diverse and eclectic downtown. In the theater world, I have worked in almost every job from technical staff to acting. I was in a number of shows at Lawrence High School, Lawrence Arts Center and Theatre Lawrence. While in high school I was Thespian Club President, Speech and Debate Interpreter of the year and was a State Finalist and National Qualifier for Speech and Debate. I think this lends me to be especially outgoing, creative and have a strong work ethic.
